

Dear Teacher,

Discover Cambridge in Palermo, 14 November 2017

I would like to invite you to join us on Tuesday 14 November for a very exciting event.

Schools from across Sicily will be coming together to Discover Cambridge – meeting three departments of the University of Cambridge who can help to enrich your school's curriculum, support your English language learning, and provide resources for your teachers and students.

The event is hosted by Cambridge Assessment International Education; the global curriculum and examinations provider who offer the well-known Cambridge IGCSE programme. Over 70 schools in Italy use Cambridge IGCSE examinations and over 200 schools are now teaching the syllabuses. We see many more schools using the examinations every year.

We will welcome Professor Gisella Langé, who will give an update on all the latest news about CLIL, including developments at both national and European level.

Cambridge Assessment English will also be represented, illustrating their work in Italy and explaining how their services complement those offered by Cambridge International.

Cambridge University Press will also be in attendance to showcase their resources and support for those using Cambridge programmes in schools.

You can join us to Discover Cambridge at **Liceo Classico G. Garibaldi**, Via Canonico Rotolo, 2, 90143 Palermo PA. To book your place, please email **Francesca Leone** at Liceo Garibaldi on leone.27@libero.it by **31 October**.

The event takes place from 10am until 3pm and will include refreshments and lunch.

I look forward to meeting you in Palermo.

Yours sincerely,

Alessandra Varriale,
Manager, Italy and South-eastern Europe.
